HUMBER-SENECA POLYTECHNIC PARTNERSHIP

The Humber-Seneca Polytechnic Partnership (HSPP) promotes co-operation and collaboration between Humber and Seneca while enhancing and expanding learning opportunities for students at both institutions.

Through the HSPP, we are identifying potential transfer pathways between diplomas and degrees at both Humber and Seneca. This partnership will also include joint efforts on developing and planning programs, creating shared curriculum and expanding program offerings. Leveraging our combined strengths as providers of comprehensive polytechnic education, we'll work with Humber to provide you with broader options and greater access to world-class education. senecacollege.ca/hspp

ADMISSION REQUIREMENTS - SENECA CREDENTIALS

The following is general admission information for Seneca credentials. Please read this information carefully and visit the website page for your program of choice for more details: senecacollege.ca/programs

Please note that meeting minimum admission requirements for our programs does not guarantee admission.

Degrees

To be eligible, applicants must submit official transcripts showing completion or in-progress status of all academic admission requirements.

Credentials (transcripts) from outside of Canada should be accompanied by a course-by-course evaluation from International Credential Assessment Service (ICAS) or World Education Services (WES). For questions about the documents and evaluations required for your program, contact admissions@senecacollege.ca.

Mature applicants who are 21 years of age or older will be considered when Seneca receives transcripts showing successful final grades in the required academic courses. Mature applicants must also disclose any completed or attempted postsecondary studies.

Seneca offers degree completion and advanced-entry options for applicants who have postsecondary credentials. Visit senecacollege.ca/dcto for information.

Graduate Certificates

To be eligible, applicants must submit official transcripts showing successful completion of a recognized university or college program of study.

Credentials (transcripts) from outside of Canada should be accompanied by a document evaluation from WES or ICAS. Some programs require a course-by-course evaluation. For questions about the documents and evaluations required for your program, contact admissions@senecacollege.ca.

All applicants to graduate certificate programs must demonstrate language proficiency at the postsecondary level; that is, two full years in a postsecondary institute in a country where English is the primary language or a successful score in an English language assessment.

Applicants to graduate certificate programs who have some postsecondary education and/or significant relevant work experience may be considered for admission at the discretion of Seneca.

Diplomas and Certificates

To be eligible, applicants must submit official transcripts showing successful completion or in-progress status of all academic admission requirements. Credentials (transcripts) from outside of Canada must be accompanied by a document evaluation from WES or ICAS. Some programs require a course-by-course evaluation. For questions about the documents and evaluations required for your program, contact admissions@senecacollege.ca.

Mature applicants who are 19 or older may be permitted to write the Pre-admission mathematics test to qualify for admission. Applicants may also qualify by completing free Academic and Career Entrance upgrading or adult education courses.

Contact admissions@senecacollege.ca for information.

English Proficiency

At Seneca, courses are taught in English and to be successful in a program, your English communication, listening, comprehension, reading and writing skills must be at a level to meet the demands of your program. If your previous education was not in English, we may request that you attend a language test to demonstrate your proficiency.
